## ZALTAN – BAGGAGE / PERSONAL BELONGINGS

Hope you're as anxious as the rest of us.

As we get ready for the upcoming adventure, please read this important notice

### LUGGAGE / IMPORTANT NOTE!

We are operating through Eduardo Gomes International Airport, baggage allowance and weight on aircraft are significantly reduced. In order to fly up more safely and be able to meet all the group's demands, Amazon Xtreme Fishing informs our guest about baggage check-in / carry-ons via this announcement:

### Baggage allowance per member:

#### "AXF CHARTER FLIGHTS"

**30 LBS PER ANGLER** - (total combined weight, checked bag and carry-on)

Note 1: Daily laundry service on board, avoid bringing excess clothes!

Note 2: The Zaltan provides Shampoo, Conditioner and Soap.

Excess weight is subject to non-boarding/check-in.

#### **See packing list for essential items.**

We count on your understanding regarding this new information.

**HOTELS** in town use a 220v system, check with the front desk first if you didnt bring one. Most electronics have a converter (cell phones, laptops, some cameras) normal plugs do not convert, like hair dryers, shavers, etc. **CHECK FIRST.**

**ALL AXF FISHING DESTINATION** in Brazil are equipped with generators that produce electricity using American standards (60 cycles, 110/220 Volt). No inverter is needed there and adapters are available.
