THE BIRTH PLACE OF WORLD RECORDS

UPPER RIO NEGRO AND MANAUS

Sail through one of the most exclusive places in the heart of the Rio Negro - a true paradise for the anglers craving for **the catch of a lifetime**. Every moment here is an opportunity to surpass your own limits and become a true legend.

THE SEARCH FOR THE HOLY GRAIL: PEACOCK BASS

A symbol of the elite's sport of fishing in Brazil, the peacock bass (açu) are coveted for its impressive strength, explosive tackle breaking power and impressive size. These **fresh water titans** can grow over 36 inches and will demand technique, strength and stamina from its adversaries.

Nature's most noble trophy.

OTHER TITANS WORTH MENTIONING:

PIRAÍBA, PIRARARA

AMAZON'S ELITE WORLD RECORD HOLDERS

Being a part of this club is no easy task. There's a peacock bass abundance in our fisheries, it takes a lot of ability to bring in a 20lb+ monster to the surface, let alone a world record fish, and we have 5 records.

World Record Hall of Fame
Five-(5) IGFA and BGFA World Record.

A REFERENCE BORN PROJECT

With its imposing structure and distinguished architecture, The Zaltan stands out sailing through the black waters of the Rio Negro. Born with the goal to provide not only an unique fishing experience, but also international service standards and sustainable practices.

Pursuing excellence in every detail, we can proudly say that we are a lot more than “just” a boat. We are the leader and an example in social projects, invest on local work force and commentary base infrastructures, always driven and caring for the environment through education.

CARING FOR THE AMAZON RAINFOREST IS CARING FOR ITS FUTURE

From the beginning of our story we work seriously and committed to a sustainable sport fishing tourism, with environment and social responsibility to the local communities and indigenous people.

Together we thrive.
